EXTERNAL WALL INSULATION

- Improved thermal performance = savings on bills
- Reduced fuel consumption = lower CO2 emission
- Improved acoustic performance = reduced noise
- No risk of condensation as dew point occurs on the outside of the system = no dampness inside
- Low maintenance
- All Atlas/Aval products are BBA certified

Welcome to Mrowka Building Supplies, a family-owned company dedicated to introducing innovative solutions and brands to the British market.

We are the fastest growing Polish building supplies wholesaler in the UK and have gained even wider recognition since our appearance at Grand Designs Live.

With three showrooms in the UK and a reliable logistics chain we can supply goods nationwide at competitive rates, including free delivery options (subject to minimum spend).

Whether you are an individual looking for advice, home improvement materials or a large-scale contractor with high-volume supply requirements we can accommodate all your needs.
